

Miguel Yustiz

281-562-9274 miguelyustiz97@gmail.com Houston, TX

Objective

I am seeking a challenging role that offers opportunities for growth in my Full Stack Developer career, where I can leverage my skills to contribute to the success of the organization.. Fluent in English and Spanish

Professional Experience

Full Stack Developer - Gaido's Seaside Inn

Galveston, Tx (11/2022-07/2024)

- Developed and maintained responsive full-stack web applications using React.js and Node.js, optimizing performance and ensuring scalability.
- Enhanced application functionality by integrating 5+ third-party services, resulting in a 40% reduction in response time and increasing user satisfaction by 25%.
- Streamlined database operations, improving query efficiency and overall system performance.
- Collaborated cross-functionally with design and product teams to deliver projects on budget and ahead of schedule.
- Designed intuitive UI/UX interfaces using Adobe Creative Suite (Photoshop, Illustrator) and Figma, aligning with best practices and user-centered design principles.

Lead IT Technician - Nerds To Go

Houston, Tx (09/2020 – 10/2022)

- Provided comprehensive technical support for hardware, software, and network issues, resolving them promptly and minimizing downtime.
- Installed, configured, and maintained desktops, laptops, printers, and peripherals, ensuring optimal functionality.
- Led the overhaul of email systems for 300+ employees, implementing enhanced security measures that reduced unauthorized access incidents by 15%.
- Implemented robust backup solutions to ensure data integrity and preparedness for disaster recovery.
- Executed seamless hardware and software upgrades, ensuring minimal disruption to daily operations
- Worked on building and designing websites, delivering customized and user-friendly web solutions.
